RE: 24 X 36 Modular Classroom Letter of Recommendation

To whom it may concern,

Tri-County Head Start is pleased to provide this letter of recommendation based on our experience with David Kuczer and Alternative Building Solutions, Inc. From the beginning until the completion of our purchase, we are pleased with the service and response we received. The price of our building was excellent, delivery was ahead of expected schedule, and the professionalism shown top notch in the field. Even with David out of the country during part of our time doing business, he still provided quality customer service.

Sincerely,

Wendy Bailey
